

**Important Information**

**MISSION IMPOSSIBLE 9  
RED CARPET**

**TRAVEL INFORMATION**

This year the Mission Impossible Organising Committee have put on busses to allow participants to travel to and from the Mission Impossible site on provided transport. Bus transport will be optional and a pay as you use service (\$10 cash) to be paid to a representative of the Admin Team as you get on the bus.

There will be only one transport check in point which will be opposite Parliament House along Harvest Terrace. The buses will assemble along Parliament Place, Perth alongside the car park area. Please be aware that this is a public car park and the buses will be parked along the road side. Ensure that you pull off the road and into the car park when dropping off or picking up competitors.

You will be transported and dropped off at the North Road registration point on site, and collected there Sunday afternoon and dropped back at Parliament Place. You can bring all your gear, including swags and big tents to the bus and they will be transported to VROC for you. Being a scouting event, EVERYBODY must travel to and from the event in uniform. Uniforms will be collected at check-in to be kept safe all weekend, and returned to you before final parade

If your entire team catches the bus limo, you can receive your team registration pack on the bus. Your registration pack will have your map, the co-ordinates of where everything is, and any final tips and instructions, for surviving the red carpet. This will give you an extra time on the bus to work out the routes you take, plot your bases, find out the additional surprises that no one else knows yet. This will also give you quick check-in to the award ceremony.

Due to restrictions based on the coach sizes allocations, the transport will be done on a "first come, first served" basis.

For any queries please contact the Administration Director on 0407 894 970.
